

## 2006 PRESIDENTIAL ACHIEVEMENT AWARD

To all present and all who shall read this

**Eric Christensen KF4OTN**

is awarded the 2006 AMSAT Presidential Achievement Award for contributions made as a member of the AMSAT Website team.

During 2006, you provided much needed testing support for the AMSAT website including migrating static information into the satellite database and testing of the satellite database during the development stage.

Awarded on this day, 6 October 2006

  
Richard M. Hamblby, AMSAT President  
W2CPS
